

B. Approval of the University's Response to the Northwest Commission on Colleges and Universities

Motion by Sheri Buretta, second by Mary K Hughes.

MOTION

"The Board of Regents authorizes the chair to send the university's response to the Northwest Commission on Colleges and Universities as presented. This motion is effective October 28, 2019."

Motion to amend the response by Karen Perdue, second by Sheri Buretta to add the following statement on page 3, at the end of the section

Further, as the NWCCU understands, the University of Alaska operates as a state university within a legal framework.

The University of Alaska, the Board of Regents and the University President derive their authority and duties from the State of Alaska's constitution and statutes. The Alaska constitution establishes the University as a single legal entity. That legal framework provides the foundation and sideboards for clarity in authority, roles and responsibilities.
