UA Statewide COVID Reporting Procedure Page of April 22, 2020

Statewide has enacted the following policy:

UA Statewide COVID Reporting Procedure Page of April 22, 2020

5. In addition,

must report to their supervisor if they are COVID-19-positive; have fever, cough, or shortness of breath; or are a Person Under Investigation.

- a. A supervisor is expected to take immediate action to exclude such employees from the facility.
  - In addition, supervisors must take steps to monitor third party (e.g. i. contractor) personnel, using tools such as a sign-in sheet.

ii.
