Each of the areas will be reviewed at a statewide level by an inter-university team comprised of faculty, administrators, staff, students, and community representatives. **Each review team will be convened by its chair, meet as needed, and provide a report to the President by 10/10/2019.** The reports will be posted for governance and public input and you will give a brief update to the Board of Regents subcommittee tentatively scheduled for 10/11/19. The President and Chancellors will review the reports, along with the governance and public input, and prepare options for consideration by the Board of Regents at its November 7 meeting.

This expedited program review will focus on broad
